Re: East Kentucky Power Cooperative, Inc.
Petition for Confidential Protection received 2/17/10
PSC Reference – Case No. 2009-00506

Dear Mr. Cowden:

The Public Service Commission has received the Petition for Confidential Protection you filed on February 17, 2010 on behalf of East Kentucky Power Cooperative, Inc. ("EKPC") to protect certain information filed with the Commission as confidential pursuant to Section 7 of 807 KAR 5:001 and KRS 61.878. The information you seek to have treated as confidential is identified as information contained in EKPC's Responses to Commission Data Request Nos. 14, 19 and 20 as in Appendix of the Commission's Order dated January 27, 2010. The information is more particularly described as containing identification of coal vendors and ranking of proposals, as well as tabulation sheets containing current coal pricing, volume of usage, proposal evaluation procedures and coal acquisition strategies.

Your justification for having the Commission handle this material as confidential is that the public disclosure of the information would compromise EKPC's competitive position in the industry and result in an unfair commercial advantage to their competitors.

Based on a review of the information and pursuant to KRS 61.878 and 807 KAR 5:001, Section 7, the Commission has determined that the information you seek to keep confidential is of a proprietary nature, which if publicly disclosed would permit an unfair commercial advantage to EKPC's competitors. Therefore, the information requested to be treated as confidential **meets the criteria for confidential protection** and will be maintained as a nonpublic part of the Commission's file in this case. The procedure for

usage of confidential materials during formal proceedings may be found at Section 7(8) of 807 KAR 5:001.

If the information becomes publicly available or no longer warrants confidential treatment, East Kentucky Power Cooperative, Inc. is required by Section 8(9)(a) of 807 KAR 5:001 to inform the Commission so that the information may be placed in the public record.

Sincerely,

Jeff Derouen
Executive Director
