Parties of Record

Re: Kentucky Utilities Company, Case No. 2009-00548
Louisville Gas and Electric Company, Case No. 2009-00549

On March 22, 2010, a motion to intervene was filed by AARP in the above-referenced cases. AARP is represented by two lawyers who are employed by the Kentucky Resources Council, Inc. ("KRC").

One of the members of the Commission's legal staff assigned to work on these cases is Richard Raff, Assistant General Counsel. Mr. Raff's spouse is an accountant and she has been employed for many years by KRC as office manager. Her duties include all administrative functions, including accounting, payroll, and taxes, as well as ministerial office functions. She is not involved in the decisions as to the clients that will be represented by KRC, or the issues or causes to be advocated by KRC. Mr. Raff's spouse works varied hours and is compensated at a set hourly rate that is not tied to, and does not vary with, the number of clients represented by KRC, the types of issues promoted by KRC, or the success of KRC's advocacy.

If any of the parties to these cases wish to comment or object to Mr. Raff's continued participation as a staff member in these cases, please do so in writing within 10 days of the date of this letter.

Sincerely,

A handwritten signature in black ink, appearing to read "J. Derouen".
