PLEASE DO NOT APPROVE THIS LASTEST REQUEST FOR LG&E !!!!!!!!!!!!!!! I am retried live on social security, I cannot afford more increases. LGE states they need this for the damage caused by the wind Storm and the ice storm, too bad. That's the cost of doing business. As for the Trimble Co. plant leg will make a fortune off that plant, so why should they get a rate increase from the consumer to pay for this Plant. PLEASE DO NOT GRANT THIS INCREASE.
