

Dear Mr. Wilburn:

Thank you for your comments regarding the rate increase proposed by Louisville Gas & Electric Co. Your comments will be placed into the case file for the Commission's review as it considers this matter. For your future reference, the case number in this matter is 2009-00549. Please cite it in any future correspondence regarding this case so that your comments may be readily directed to the case file.

Thank you again for your interest.

In reference to Case Number 2009-00549, I am very much opposed to this inflationary rate increase. Those of us on fixed income cannot afford this expensive change in the way they charge for gas delivery and the increase in gas pricing at the same time. Please deny this request or drastically reduce it. Thank you for considering my input.  
Ken Wilburn
