

Dear Mr. Downs:

Thank you for your comments regarding the rate increase proposed by Louisville Gas & Electric Co. Your comments will be placed into the case file for the Commission's review as it considers this matter. For your future reference, the case number in this matter is 2009-00549. Please cite it in any future correspondence regarding this case so that your comments may be readily directed to the case file.

Thank you again for your interest.

I think there should be an investigation into these rate increases and decreases. Did they lower prices to tricks us right before they raised prices higher the second time around. Please do something about this company trying to take advantage of kentuckians. Please stop theses scam artists.
