How in the world that LG&E of Louisville, thinks a raise is appropriate for their customers. I myself and on Social Security and we are frozen from getting cost of living raise. Also I get Air Force Annuity, and that is also frozen. Do they not have to show a budget like we have to live on. Can not see how they can get away with just saying in this day in time, they need more money. Don't we all!!!!!!

Thank you Margaret Dunn
