To Whom It May Concern,

This letter is regarding LG&E's request for a rate increase (case number 2009-00549)

Most everyone has been affected and is suffering from loss of jobs, cut in pay, etc. due to the economy. We are struggling now to stretch pay checks, if lucky enough to have a job, to cover monthly bills. Any increase from LG&E would take money that families need for food, medication, etc.

I strongly oppose this increase in LG&E rates and ask it be denied.

Thank you,

Jenetta Johnston
