Mr. Melnykovych,

Thank you for your offer to get our message to the right places.

We were responding to the following:

"Kentucky utility regulators are planning a series of public meetings, including a formal hearing with sworn testimony, on proposed rate increases for LG&E and Kentucky Utilities.

Since the LG&E rate request was filed in January, the PSC has received about 75 letters and e-mails from customers protesting the utility's proposed 12 percent increase in electric rates and nearly 9 percent for natural gas.

Since the LG&E rate request was filed in January, the PSC has received about 75 letters and e-mails regarding natural gas.

LG&E wants to boost the flat fee it charges for delivering gas to homes, rather than basing much

We are very much against increasing the flat fee distribution rates to people's homes because it w

Dear Commissioners:

I implore you to NOT approve an increase in utility rates in Kentucky. Over the last several years, Kentuckians have experienced increased hardships ranging from economic to scarce jobs to weather related disasters. The time is now to stop adding to Kentuckian's burden. Do NOT approve any increases in utility rates in Kentucky.

Respectfully submitted,  
Vicki and Bob Schlenk, Sr.
