Dear Sirs:

I Randall Toll wish to say that I am against the rate increase that LG&E wants to impopse on us the customers of Louisville. I am on a fixed income and can not afford an increase to my bill of this size. I did not get a raise this year to my Social Security because of the state this country is in, So I do not think that LG&E should get to increase their rates at this time.

Thank you from Randall Toll
