Re: CJ article, Mar 5, 2010, pg.B8

Dear Sirs,
We regret that your company did not show sufficient foresight to be prepared for extra ordinary events such as ice storms. You may be aware that SSI has not increased our benefits this year altho they have increased medical deductions. Certainly most everyone tries to prepare for the unforeseen events that sometime come along. Storms, ice, and floods come along every year somewhere and one would think you'd be putting funds aside to help you combat repairs. We believe you request for higher rates are unacceptable.
Thank You,
George & Diane Rojan
