RE:LGE - 2009-00549 KU – 2009-00548

LG&E and KU's plea for higher rates come at the worst possible times for consumers and businesses given today's sluggish economy and high unemployment rates in the Commonwealth.

As partner/co-owner of a small business and a retiree trying to make ends meet I am questioning LG&E and KU how they justify these raises as fair and reasonable.

I am opposed to this increase and asking PSC to deny this rate increase request.

Thank you for your thoughtful consideration.
