Dear Director,

I am writing this letter in regards to the increase granted to Centre Ridge Water Dist. I got my notice of the increase on April 30, to this date

5/31/11. There are people who still have not got their notice. I've read other letters on your web site opposing this increase, as I also oppose the increase. I have had a place in Pine Bluff Shores Subdivision since 1980.

The minimum water charge in Murray, Ky. is \$11<sup>00</sup> and we are paying \$26.83 a month.

There is no water when the power goes out as there are no generators for backup.

I live on a fixed income & it is bad enough, but the people who are here on just the welfare or a very few times ~~in~~ a year are really getting it stuck to them.

One question: Is there a difference between a connection fee and turn on fee?

Sincerely,  
Dant Gault
