RE: Case No. 2010-00476

To Whom It May Concern,

Please be advised that we are against
the 21.9% increase that Water Service
Corp of Kentucky has ask for. It has
only been a short time ^(Nov. 2009) since our
water rates were increased. ^(3,000) Our little
town is made up of mostly senior
citizens on a very limited income and
people unemployed. Times are very hard.

Please consider this when making
your decision about the rate increase.

Thank you.
