PUBLIC SERVICE
COMMISSION

Application of Water Service Corporation of Kentucky for an Adjustment of Rates
Case No. 2010-00476

Dear Public Service Commissioners:

I oppose the water rate increase because:

I don't feel like I could
pay another rate increase.
I live on a fixed income.
I barely have enough money
to pay my bills, buy my
groceries and buy my medicine

Sincerely,
Shirley Wooten

Signed

Shirley Wooten
