Dear Sir:

I am writing in regards to case number 2010-0047. My concern is the location of the new facility being so near the Old Liberty Cemetery where it is peace and quite. My hope is that you will consider a different location for this facility as there are many other high and good locations for this facility. Please consider the Living as well as the Dead, when making a good decision on this matter.

As a Mother of a 16 year old that was killed in an accident and buried at Old Liberty Cemetery, I spend a lot of hours there.

With Best Regards,

Janie M Drye
