PUBLIC SERVICE  
COMMISSION

Dear Mr. Derouen,

At this time we would like to withdraw our request to increase our residential security deposit case no 2010-00046. We have decided to file a change in another tariff in the near future so we will include the residential security deposit increase at that time. This will allow us to have a more cost effective filing. We would have the cost of one public notice to our members instead of two. I am sorry for any inconvenience this may have caused.

If you have any questions, please contact me at (859) 885-2118. As always, your continued assistance and cooperation is appreciated.

Thank you,

Respectfully submitted,
