Re:

Fox Run Utilities, LLC- Formal Application for Tariff Revisions

and to increase certain non-recurring charges

Dear Executive Director Derouen:

Fox Run Utilities, LLC hereby submits its Application to revise tariff language to include standard tariff language and the below listed non-recurring charges for the sewer utility owned by Fox Run Utilities, LLC. The non-recurring charge cost justifications for the following items and the proposed new Tariff have been enclosed as Attachments A and B, respectively.

- 1) Bad check fee:
- 2) Termination of service charge; and,
- 3) Re-connection of service charge.

Fox Run Utilities, LLC is requesting the approval of the non-recurring charges because the increased costs attributable to these non-recurring charges can not be absorbed by the Utility. The customers affected by these increases will be the customers that caused the Utility to incur these additional expenses. Fox Run Utilities, LLC does not believe that the additional revenue generated from the proposed tariff revisions will exceed by five percent (5%) the total revenues provided by all miscellaneous and non-recurring charges for a recent twelve (12) month period.

The proposed revisions to the tariff could not have previously been made by Fox Run Utilities, LLC because the issues have arisen since general economic conditions within the state have worsened. The Utility is currently experiencing more late payments and delinquencies due to the difficult economic conditions. The proposed revisions need to be made at this time so that only the customers causing the Utility to incur the increased expenses will pay for same, and these additional expenses will not cause harm to the other customers of the Utility or to the Utility.

Mr. Jeff F. Derouen February 12, 2010 Page Two

The Utility has previously filed income statements and balance sheets with the Public Service Commission. These income statements and balance sheets are currently on file with the Commission. Pursuant to 807 KAR 5:011, Section 8 and KRS 278.185, each customer of the Utility was provided with notice of the proposed changes to the tariff and certain non-recurring charges by mail. A copy of the notice provided to the customers has been enclosed as Attachment C. A copy of the Articles of Association of Brocklyn Utilities, LLC is attached as Attachment D.

A copy of this Application and related filings has been sent to the Office of the Attorney General, State Capitol Building, Suite 118, Frankfort, Kentucky 40601.

Yours truly.

Robert C. Moore
