RE: Purchased Water Rate Adjustment
North McLean County Water District

Dear Mr. Derouen:

Enclosed please find signed original application for Purchased Water Rate Adjustment on behalf of North McLean County Water District, along with eleven (11) additional copies of same.

A copy of the Notice to Customers, as required pursuant to Section 5 of 807 KAR 5:068, will be filed with your office subsequently. Calculations reflecting the increased rate are attached.

North McLean County Water District proposes that the effective date of its Purchased Water Rate Adjustment would be March 11, 2010. However, we have left the effective date blank on our tariff (rates and charges) sheet so that the Public Service Commission may assign such effective date that you determine to be appropriate. Nevertheless, the Water District requests that you consider our proposed date of March 11, 2010, to be the effective date of the Purchased Water Rate Adjustment.

Please process this application and issue an Order approving the increased rate, as may be appropriate.
