

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

PURCHASED WATER ADJUSTMENT)	
FILING OF CANNONSBURG WATER)	CASE NO. 2010-00098
DISTRICT)	

O R D E R

On March 1, 2010, Cannonsburg Water District (“Cannonsburg”) applied for approval to adjust its rates pursuant to the purchased water adjustment procedure.¹

The Commission, having reviewed the record and being sufficiently advised, finds that:

1. Cannonsburg purchases water from the city of Ashland (“Ashland”) and from the Big Sandy Water District (“Big Sandy”).

2. Ashland notified Cannonsburg that it would increase its wholesale water rates effective March 15, 2010. Ashland’s wholesale water rate to Cannonsburg would increase from \$1.89 per 1,000 gallons to \$2.01 per 1,000 gallons. Cannonsburg proposes to increase the water rates to its customers effective March 15, 2010.

3. During the 12 months ending November 30, 2009, Cannonsburg purchased a total of 459,997,000 gallons of water from Ashland and a total of 1,850,200 gallons of water from Big Sandy and sold a total of 319,113,200 gallons of water. The increase in the cost of purchased water is \$55,199.64, resulting in a purchased water adjustment of \$0.18 per 1,000 gallons.

¹ KRS 278.015; 807 KAR 5:068.

4. A purchased water adjustment of \$0.18 per 1,000 gallons is fair, just, and reasonable.

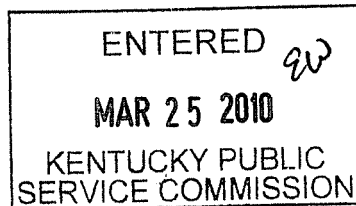

IT IS HEREBY ORDERED that:

1. Cannonsburg's proposed rates are approved.

2. The purchased water adjustment increase of \$0.18 per 1,000 gallons as calculated in Appendix A is approved and the rates in Appendix B, attached hereto and incorporated herein, are fair, just, and reasonable and are approved for services rendered on and after March 15, 2010.

3. The tariff sheets filed by Cannonsburg in the application are approved.

By the Commission

ATTEST:

Executive Director
