RE: 2010-00115

Dear Mr. Derouen:

Please note that on March 16, 2010, Jackson Energy submitted an application for a certificate of convenience and necessity for its 2010-2013 construction work plan. On July 26, 2010, Jackson Energy responded to the PSC data request, however, to date, there has been no ruling upon the application, and Jackson Energy has reached a point where it needs to move forward with the project. Accordingly, we are simply requesting that the Commission please review the matter to see if a decision will be made in the near future.

Thank you for your assistance in this matter and please feel free to call with any questions or concerns.

Sincerely,

Clayton O. Oswald
