Dear Director Derouen,

Attached for your review is an Application for a Certificate of Public Convenience and Necessity for the construction of fiber-to-the-home in Jackson and Owsley counties, Kentucky. This Application is submitted on behalf of Peoples Rural Telephone Cooperative Corporation, Inc.

On March 29, 2010 Peoples Rural Telephone Cooperative submitted an application under the American Recovery and Reinvestment Act Broadband Initiatives Program administered by the Rural Utility Service for grants and loans for the purpose of completing its Fiber to the Premises project. Under the Application process, the company is required to have all necessary certifications in place or pending prior to receipt of ARRA funds.

In the interest of avoiding unnecessary production of documents, the company is including here an original and two copies of the entire filing on hard copy as well as three CDs containing a pdf version of the entire filing. Additional copies will be provided promptly upon request.

Any questions about this application should be referred to Eileen Bodamer, Consultant to Peoples Rural Telephone Cooperative Corporation, Inc. at 770-649-1886.

Sincerely,

Allen B. Roberts, Attorney at Law
