Re: Case No. 2010-00331
Request of Shelby Energy Cooperative, Inc. for a
temporary deviation from its sample meter testing
plan

Dear Mr. Derouen:

Pursuant to agreement at the informal conference held October 26, 2010, Shelby Energy Cooperative, Inc. hereby amends its deviation request so that Shelby Energy is seeking deviation from the sample testing of only those single phase meters that are being removed from service. Otherwise, the deviation request set forth in Deborah J. Martin's August 10, 2010 letter remains unchanged.

We apologize for not filing the amended deviation request by November 10, 2010. The response had been prepared but overlooked.

Yours truly,

MATHIS, RIGGS & PRATHER, P.S.C.
