Re: Delaplain Disposal Company 2010 Rate Case Filing

Dear Sirs:

Attached please find an original and 10 copies of Delaplain Disposal Company, Inc's Alternative Rate Filing, including a notice to customers and mailing verification. In addition, please incorporate by reference in this case Delaplain's annual reports on file with the PSC.

Delaplain is proposing that the new rates become effective on October 1, 2010, and has provided a proposed tariff to that effect at Exhibit 2 of this filing. In addition, Delaplain has attempted to the best of its ability to fully comply with the Commission's ARF filing requirements. However, please consider this a request for waiver of any filing requirements which Delaplain may have inadvertently overlooked, on the grounds that all relevant information has been provided to allow the processing of this case to begin.

Finally, please note that Delaplain believes reduction of the estimated rate case expenses included within this application is in the best interests of all parties. Therefore, we respectfully request that the Commission Staff perform a field review rather than issuing data requests to process this case.

Sincerely,

A handwritten signature in cursive script, appearing to read "Elbert C. Ray".
