**RE: Case # 2010-00373**

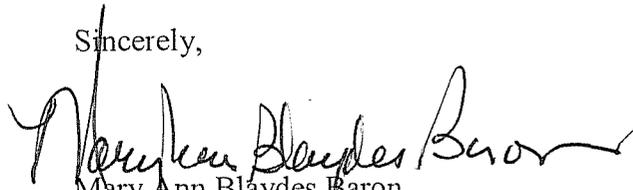

To Whom It May Concern:

I fully endorse and support the placement of a cell tower on Matney Road in the Exie community of Green County. This is long overdue. When you are in the area you have no cell service.

The people of Green County will be very appreciative of the new cell tower.

If you have any questions I can be reached at 270-932-4024.

Sincerely,

  
Mary Ann Blaydes Baron  
Green County Judge/Executive
