Re: tw telecom Kentucky, llc ("TWTC")
Petition for Confidential Treatment received 6/13/11
PSC Reference – Case No. 2010-00398

Dear Ms. Yunker:

The Public Service Commission has received the Petition for Confidential Treatment you filed on June 13, 2011 on behalf of tw telecom Kentucky, llc ("TWTC") to protect certain information filed with the Commission as confidential pursuant to Section 7 of 807 KAR 5:001 and KRS 61.870. The information you seek to have treated as confidential is identified as being contained in TWTC's Response to Windstream's Data Request No. 2, dated May 2, 2011. The information is described as containing number and location of access lines.

Your justification for having the Commission handle this material as confidential is that the public disclosure of the information would compromise TWTC's competitive position in the industry, which would result in an unfair commercial advantage to TWTC's competitors.

Based on a review of the information and pursuant to KRS 61.878 and 807 KAR 5:001, Section 7, the Commission has determined that the information requested to be held confidential is of a proprietary nature, which if publicly disclosed would permit an unfair commercial advantage to TWTC's competitors. Therefore, the information requested to be treated as confidential **meets the criteria for confidential protection** and will be maintained as a nonpublic part of the Commission's file in this case. The procedure for usage of confidential materials during formal proceedings may be found at Section 7(8) of 807 KAR 5:001.

Sincerely,

A handwritten signature in cursive script, appearing to read "Jeff Derouen".
