Re: AT&T
Petition for Confidential Treatment received October 3, 2011
PSC Reference – Case No. 2010-00398

Dear Ms. Keyer:

The Public Service Commission has received the Petition for Confidential Treatment you filed on October 3, 2011 on behalf of BellSouth Telecommunications, Inc., d/b/a AT&T Kentucky, and AT&T Communications of the South Central States, LLC (collectively AT&T) to protect certain information filed with the Commission as confidential pursuant to Section 7 of 807 KAR 5:001 and KRS 61.870. The information you seek to have treated as confidential is identified as being contained in Rebuttal Testimony of Dr. Debra J. Aron and Dr. Ola A. Oyefusi. The information is more specifically described as being contained on a CD and includes company specific data regarding pricing, revenues, local switching minutes, switched access charges and/or expenses, and/or market share.

Your justification for having the Commission handle this material as confidential is that the public disclosure of the information would compromise AT&T's competitive position in the industry, which would result in an unfair commercial advantage to AT&T's competitors.

Based on a review of the information and pursuant to KRS 61.878 and 807 KAR 5:001, Section 7, the Commission has determined that the information requested to be held confidential is of a proprietary nature, which if publicly disclosed would permit an unfair commercial advantage to AT&T's competitors. Therefore, the information requested to be treated as confidential **meets the criteria for confidential protection** and will be maintained as a nonpublic part of the Commission's file in this case. The procedure for

usage of confidential materials during formal proceedings may be found at Section 7(8) of 807 KAR 5:001.

If the information becomes publicly available or no longer warrants confidential treatment, BellSouth Telecommunications, Inc., d/b/a AT&T Kentucky, and AT&T Communications of the South Central States, LLC (collectively AT&T) are required by Section 8(9)(a) of 807 KAR 5:001 to inform the Commission so that the information may be placed in the public record.

Sincerely,

Jeff Derouen
Executive Director
