PUBLIC SERVICE
COMMISSION

Dear Sirs,

I am writing in regard to the proposed increase effective November 29, 2010. I feel that I should not be responsible for the operation costs of the Hillridge Facility. It is the sole responsibility of the owners of said facility to properly maintain its own operation.

My concern is that the current problems are a result of lack of servicing and inadequate attention. Also I am interested in inquiring about whether or not there has been some agency or department that has been involved in overseeing responsibilities.

I honestly feel that the fact that this is a deteriorating infrastructure is not my responsibility, and therefore the cost should not be added to my expense. I respectfully reject this proposed increase.
