This email is in reply to the notice received from Hillridge Facilities. I= object to the proposed rate increase. For year Hillridge put off doing n= eeded repairs & upgrades to just collected a profit. I do not hold making = a profit against them. However, I do hold the fact that they ran their busin= ess poorly & rather than do the right things on an ongoing basis they neglec= ted them & are now trying to get more money from their customers. I moved h= ere from Chicago years ago & the ONLY things I found more expensive were my = water & sewer bills. If Hillridge is unable to make do with what they ahead= y get may I suggest the turn the job over to MSD. =

I Strongly object to any reate increase. Please note these comments to PSC Case No 2010-00426.
