Dear Ms. Turley:

Thank you for your comments regarding the sewer rate adjustment proposed for Hillridge Facilities in Jefferson County. Your comments will be placed into the case record for the Commission's consideration as it deliberates in this matter.

Thank you again for your interest.

I am writing to protest a rate increase for this facility. First, I do not even know where this plant is located and I am also unemployed and cannot stand anymore rate increases.

I understand LG&E is asking for a 19% increase. Where does this stop? I assume people are suppose to not eat so we can these utilites.

Thanks and I hope you all will do the right thing and deny both these requests
