Dear Mr. Sturgill:

I am writing to you on behalf of Kentucky Utilities Company in response to your letter dated May 27, 2011 concerning the publication of the Company's notice of its Environmental Compliance Plan filing (Case No. 2011-00161) in the Harlan Daily Enterprise. Following receipt of your letter, we contacted the Kentucky Press Service who handles all of our newspaper publications. The Kentucky Press Service advised that they were already aware of the print mistake made by the Harlan Daily Enterprise and had requested that the notice be re-published on May 31, 2011 in a larger font size. This newspaper along with many others, have been requested to publish the notice for three consecutive weeks. In addition, you will also receive a copy of the notice in an insert to your normal bill in June 2011.

As requested, enclosed please find a copy of the Company's application and supporting testimony. You can also find electronic copies of this information at the Company's website at www.lge-ku.com.

Should you have any questions please contact me at your convenience.

Sincerely,

A handwritten signature in black ink that reads "Lonnie E. Bellar".
