Dear Sir or Madam:

I am a customer of the Kentucky Utilities company. I am eighty one years old and live on a fixed income. I strongly oppose the proposed 1.5 percent rate increase in 2012 with a maximum increase of 12.2 percent in 2016 per 1000 k.w. hours per month and any other environmental surcharges they are requesting. This increase would cause a financial hardship for me. Thank you.

Yours truly,

Mrs. Imogene Lawson
