Re: Kentucky Power Company
Confidential Materials received 2/10/12
PSC Reference – Case No. 2011-00401

Dear Mr. Giampietro:

The Public Service Commission received on February 10, 2012, your Supplemental Request for Information to Kentucky Power Company and your clarification letter outlining that the Supplemental Request contained confidential materials in Items 7 through 13. In your Clarification letter you stated that the materials were subject to a Petition for Confidential Treatment filed by Kentucky Power on January 27, 2012. The Commission granted confidential protection on February 24, 2012 to the aforementioned Kentucky Power Petition and Amended Petition filed February 7, 2012. Therefore, the materials marked "Confidential" filed as Sierra Club's Supplemental Request for Information will remain in a non-public part of the Commission's records in this case. The procedure for usage of confidential materials during formal proceedings may be found at Section 7(8) of 807 KAR 5:001.

Thank you for your clarification of the confidential materials. Please send a clarification letter for any future filings using materials deemed confidential by another party in the action to avoid any confusion.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeff Derouen".
