APPLICATION OF KENTUCKY FRONTIER GAS, LLC  
FOR APPROVAL OF CONSOLIDATION OF AND  
ADJUSTMENT OF RATES, APPROVAL OF AMR

CONVENIENCE AND NECESSITY FOR  
INSTALLATION OF AMR, PIPELINE REPLACEMENT

CASE NO.  
2011-00443

KENTUCKY FRONTIER GAS, LLC's MOTION FOR DEVIATION

Kentucky Frontier Gas, LLC, (Frontier) by counsel, moves for an order granting a deviation from the requirements of 807 KAR 5001, Section 9(2)(b). Frontier provided the notice of the hearing to all of the newspapers in its service area as required by the Commission's order of June 3, 2013. All of the newspapers published the full notice within the time limits of the regulation. However, one paper, the "Licking Valley Courier" published only a partial notice. It published the time, date, location and purpose of the hearing, but did not include the table of current and proposed rates.

Frontier believes it has substantially complied with the regulation in proving it to the newspapers in sufficient time and in sufficient clarity for it to have been published in compliance with the regulation. In similar situations, the Commission has allowed a deviation. For example, in Case No. 2012-00022, dated August 22, 2012, Kentucky Utilities was granted a deviation where proper notice was made in the majority of newspapers, but not in all. Frontier believes that the publication of the essential elements of the notice is adequate to give any customer sufficient information to pursue an interest in the subject matter of the hearing.

For these reasons, Frontier moves for an order granting it a deviation from the

notice publication requirements pursuant to 807 KAR 5:001(21).
