**SUPPLEMENTAL RESPONSES  
TO  
COMMISSION STAFF'S SECOND DATA REQUEST  
DR ITEM 1(b)**

Witness: Mark A. Martin

Refer to Atmos' response to Item 1 of the Commission Staff's First Data Request. For each entity identified as having a presence in Kentucky that uses the name Atmos in any way, provide the following:

- (a) The date that each began using the name Atmos.
- (b) The date that each began operations in Kentucky.
- (c) The website address maintained for each entity and a copy of the web page.

**RESPONSE:**

(b) Since filing its response to Item 1 of Staff's First Data Requests, Atmos discovered it had inadvertently failed to include an entity that had a presence in Kentucky and used the Atmos name. Atmos accordingly supplements its prior responses to add:

- Atmos-HNNG, LLC, a Delaware limited liability company, formed on October 15, 2007. It was owned in part by Atmos Gathering Company (AGC) along with a non-Atmos related entity.

It was granted a Certificate of Authority to Transact Business in Kentucky by the Secretary of State on December 26, 2007. Atmos-HNNG commenced operations in Kentucky on or about October 15, 2007. Atmos-HNNG was merged into AGC on May 31, 2009.

- ATMOS ENERGY HOLDINGS, INC. (AEH)

AEH's activities in Kentucky are through the following wholly owned subsidiaries only: Atmos Pipeline and Storage, LLC (through its wholly owned subsidiary, Atmos Gathering Company, LLC), Atmos Energy Marketing, LLC, Atmos Energy Services, LLC, and Atmos Exploration and Production, Inc. AEH transacts no business within the Commonwealth of Kentucky, other than through its subsidiaries.

- ATMOS ENERGY MARKETING, LLC (AEM)

Woodward Marketing, LLC (Woodward) began operations in Kentucky on or about January 27, 1997. UCG Energy Corporation (UCG) was a 45% owner of Woodward. UCG was merged into AEM as of April 30, 1999, with AEM thereby acquiring UCG's 45% ownership interest in Woodward. The marketing company continued to operate as Woodward, however, until December 18, 2003, when Woodward formally changed its name to Atmos Energy Marketing. It continues to operate in Kentucky under the name Atmos Energy Marketing.

- ATMOS ENERGY SERVICES, LLC (AES)

Although AES is qualified to transact business in Kentucky as a foreign company by the Kentucky Secretary of State, it has not conducted any public operations in Kentucky. It provides services to Atmos only. AES does not provide services to the public or any other entity. It has an internal function only.

- ATMOS EXPLORATION AND PRODUCTION, INC. (AEP)

AEP is the fee owner of certain mineral interests in various counties in Western Kentucky. It engages in no activity in Kentucky other than non-recurrent leasing of those mineral interests to disinterested third parties. It has no employees in Kentucky and engages in no activity in Kentucky, except for the passive act of leasing its mineral ownership interests.

- ATMOS GATHERING COMPANY (AGC)

AGC commenced operations in Kentucky on or about May 25, 2006. It continues to operate in Kentucky under the name Atmos Gathering Company.

- ATMOS PIPELINE AND STORAGE, LLC (APS)

APS' activities in Kentucky are through its subsidiary, Atmos Gathering Company, LLC. It transacts no business within the Commonwealth of Kentucky other than through its subsidiaries.
