MOTION FOR INFORMAL CONFERENCE

Kentucky Power Company moves the Public Service Commission of Kentucky pursuant to 807 KAR 5:001, Section 4(4) for an informal conference to address the Company's filing of even date in this proceeding. In support thereof, Kentucky Power states:

The requested informal conference is to Kentucky Power to address questions the Staff, any intervenors, or other interested parties might have about the proposed application, the projects for which a certificate of public convenience and necessity are being sought, and alternative rate design, and further will allow the Company, Staff, any intervenors or other interested parties to address procedural issues and a schedule for the Commission's review of the Application.

Wherefore, Kentucky Power Company respectfully requests the Commission to convene an informal conference in this matter at its earliest convenience.
