PUBLIC SERVICE
COMMISSION
CASE NO. 2011-00419

**SECOND JOINT MOTION OF NORTHEAST WOODFORD
COUNTY WATER DISTRICT AND CITY OF VERSAILLES TO EXTEND DATE
FOR FILING WRITTEN BRIEFS**

Now come the Northeast Woodford County Water District (the Water District) and the City of Versailles (Versailles), by counsel, and jointly move that the date for filing written briefs as set forth in the Commission's May 29, 2012 Order be extended from June 25, 2012 until July 23, 2012.

In support of this Motion the Water District and Versailles state, by counsel, that they are continuing to negotiate a potential settlement of this matter. The potential settlement would involve an amendment to the Water District's Water Supply Agreement with the Electric Water and Plant Board of the City of Frankfort, Kentucky (FEWPB). The Water District is negotiating with FEWPB regarding such amendment but those negotiations have not yet reached a conclusion. The Water District, Versailles and FEWPB are all public entities that can act only through properly convened public meetings. This second requested extension is necessary in order to allow all public entities sufficient time to consider the potential settlement while also

avoiding the expense of preparation of written briefs which would be unnecessary in the event a settlement is achieved.

Dated this the 15th day of June, 2012.
