ORDER

On April 3, 2015, Grayson Rural Electric Cooperative Corporation (“Grayson”) filed a motion requesting that the Commission enter an Order “assigning this action for final hearing on the merits.” 807 KAR 5:001, Section 5(2), states: “Unless the commission orders otherwise, a party to a case shall file a response to a motion no later than seven (7) days from the date of filing of a motion.” On April 9, 2015, East Kentucky Power Cooperative, Inc., (“EKPC”) filed a motion for an extension of time of ten additional days, from April 10, 2015, until April 20, 2015, in which to file its response to Grayson’s motion.

In support of its motion, EKPC states that it requires additional time to respond “because of the complexity of the legal issues presented and the oft-changing nature of Grayson’s requested relief” and “the voluminous written discovery exchanged and

substantial deposition testimony accumulated” in this case. EKPC further states that it is also attending to Grayson’s recent filings in other cases involving EKPC. It states that a brief extension of time will not result in prejudice or unreasonable delay.

The Commission, having considered EKPC’s motion, finds that the motion for a ten-day extension of time to April 20, 2015, in which to file a response to Grayson’s motion for a final hearing should be granted.

IT IS THEREFORE ORDERED that:

1. EKPC’s motion for a ten-day extension of time to respond to Grayson’s motion for a final hearing is granted.
2. EKPC shall have through April 20, 2015, in which to file a response to Grayson’s motion.
