O R D E R

On May 16, 2012, Cincinnati Bell Telephone Company, LLC ("Cincinnati Bell") filed with the Commission a proposed amendment to the interconnection agreement between Cincinnati Bell and Cincinnati Bell Wireless. The agreement was negotiated pursuant to 47 U.S.C. §§ 251 and 252 and has a proposed effective date of July 1, 2012.

The Commission has reviewed the amendment and finds that no portion of the agreement discriminates against a telecommunications carrier not a party to the agreement. The Commission also finds that implementation of this amendment is consistent with the public interest, convenience, and necessity.

The Commission, having been otherwise sufficiently advised, HEREBY ORDERS that the proposed amendment is effective as of July 1, 2012.
