CASE NO: 2012-00221

**MOTION FOR FULL INTERVENTION**

\* \* \* \* \*

Comes the Community Action Council for Lexington-Fayette, Bourbon, Harrison and Nicholas Counties, Inc. (CAC), by counsel, and pursuant to 807 KAR 5:001 Section 3(8) moves that it be granted leave to intervene in this matter and that it be granted full intervention.

In this matter the Commission will examine the request of Kentucky Utilities Company for an adjustment of its electric rates. Any increase in electric bills that may result from this application will adversely impact the low-income population served by CAC.

CAC, whose address is P.O. Box 11610, Lexington, KY 40576, is a non-profit, 501(c)(3), community action agency which provides social services, including energy assistance and related services, to numerous low income residents in Kentucky Utilities Company's service territory. CAC has partnered with KU in programs to assist its low income customers, beginning with the WinterCare Energy Fund, which was established in 1983. CAC has provided administrative services, financial management and marketing support for the Fund since its inception. CAC also implemented and administers the Kentucky Utilities Home Energy Assistance (HEA) Program, which serves KU customers by providing monthly subsidies throughout the winter and summer peak usage months. CAC serves as the lead agency in a partnership of community action agencies that provide intakes and energy audits for KU's We Care demand side management program.

In addition, CAC has frequently intervened in KU rate and demand-side management cases before the Commission. In those cases, CAC has advocated for lower rates and programs that provide assistance for low-income customers and which encourage energy efficiency and conservation.

Because CAC is the primary advocate for low income customers in KU's service area, it has a special interest in this proceeding and will provide a perspective which will not be presented by the other parties to this proceeding. CAC's interests are not adequately represented by the other parties to this proceeding. CAC will present issues and develop facts that will be helpful to the Commission in fully hearing this matter, and participation by CAC will not unduly delay these proceedings, or unduly complicate or disrupt them.

CAC expects to present the testimony of Jack E. Burch, Executive Director of CAC, and may choose to present testimony of other witnesses not yet identified.

WHEREFORE, CAC requests that it be granted leave for full intervention and that it be certified as a full party in this proceeding, including the right to present testimony and exhibits, present witnesses, cross-examine witnesses, and be served with filed testimony, exhibits, pleadings, correspondence, and all other documents submitted by the parties or orders of the Commission.

Respectfully submitted,
