CASE NO.
2012-00222

MOTION FOR FULL INTERVENTION
OF
ASSOCIATION OF COMMUNITY MINISTRIES, INC.

Now comes Association of Community Ministries, Inc. (“ACM”), by and through counsel, and moves pursuant to 807 KAR 5:001 Section 3(8) for leave to intervene in this matter, and that it be granted full intervention.

ACM is an umbrella organization comprised of the 15 independent community ministries that provide social services to low-income individuals throughout Louisville Metro, with each ministry serving a designated geographic area. All of ACM’s 15 members provide emergency financial assistance, including assistance to households in danger of losing utility service from Louisville Gas and Electric Company (“LG&E”) because they are unable to pay their energy bills. ACM member agencies also advocate for low-income customers threatened with disconnection of utility service and implement the Winterhelp program. ACM, whose address is P.O. Box 99545, Louisville, Kentucky 40269, is a Kentucky nonprofit 501(c)(3) corporation.

ACM has a strong interest in this proceeding as an assistance provider and advocate for low income utility customers in the LG&E service territory, who will be uniquely affected by any rate increase and/or surcharge. Year round, ACM member agencies provide direct service to low-income LG&E customers who cannot pay their utility bills and face disconnections. ACM member agencies do not have sufficient financial resources to assist all those in need and they are gravely concerned that increased rates will lead to more low-income LG&E customers facing shut offs and going without vital gas and electric service.

ACM has participated in a number of other matters before the Public Service Commission, including *Joint Application of Louisville Gas & Electric Co., Association of Community Ministries, Inc., People Organized and Working for Energy Reform and Kentucky Association for Community Action, Inc. for the Establishment of a Home Energy Assistance Program*, Case No. 2007-00337; *Application of Louisville Gas and Electric Company, Inc. for an Adjustment of its Electric and Gas Base Rates*, Case No. 2008-00252; *Application of Louisville Gas and Electric Company for an Adjustment of Electric and Gas Base Rates*, Case No. 2009-00549; *An Investigation of Natural Gas Retail Competition Programs*, Case No. 2010-00146; *Joint Application of PPL Corporation, E.On Ag, E.On Us Investments Corp., E.On U.S. LLC, Louisville Gas and Electric Company, and Kentucky Utilities Company for Approval of an Acquisition of Ownership and Control of Utilities*, Case No. 2010-00204; and *Joint Application of Louisville Gas & Electric Company and Kentucky Utilities Company for Review, Modification, and Continuation of Existing, and Addition of New, Demand-Side Management and Energy-Efficiency Programs*, Case No. 2011-00134. It represents an interest that is not otherwise adequately

represented by parties to this proceeding. If granted full intervention, ACM will present issues and develop facts that will assist the Commission in fully considering this matter without unduly complicating or disrupting the proceedings.

The attorneys for ACM authorized to represent it in this proceeding and to take service of all documents are:

Respectfully submitted,
