RE: Wholesale Water Rates

Dear Mr. Whitaker;

The City of Mt. Vernon is currently undertaking a \$2,600,000 project to improve its water storage system. The project is being funded through a loan from the Drinking Water State Revolving Fund (DWSRF). The conditions of the loan stipulated that the City would be required to raise its rates to generate the revenue needed for the proper operation, maintenance, and financing of the project. A rate increase of 36.00% was uniformly applied to all of the City's retail and wholesale water rates.

The City will be petitioning the Public Service Commission (PSC) to increase the wholesale rate to the Western Rockcastle Water Association, Inc. from \$2.16 per 1,000 gallons to \$2.93 per 1,000 gallons. The increased rate is based on a cost of service study prepared by Carlos F. Miller, P.E. with Kenvirons, Inc.

To expedite the PSC's approval of the new wholesale rate, we are requesting that you execute the attached amendment to the Water Purchase Agreement and return it to our office in a timely manner.

If you should have any questions or need additional information, please contact our office at your earliest convenience.

Sincerely,

Hon. Mike Bryant

Mayor

WESTERN ROCKCASTLE WATER ASSOCIATION

RESOLUTION

Be it hereby resolved, by a unanimous vote of the Board of Directors of the Western Rockcastle Water Association (herein referred to as "WRWA') at a regular called meeting on August 14, 2012, as follows:

Pursuant to 807 KAR 5068, the Western Rockcastle Water Association hereby approves a Purchased Water Adjustment rate increase of \$0.97 per 1000 gallons, effective August 17, 2012 and will be reflected in the September 2012 billing cycle, to compensate for the increase in the base rate of water sold to the WRWA by the City of Mt. Vernon from \$2.16 per 1000 gallons (base rate) to \$2.93 per 1000 gallons (changed rate) which will become effective on August 17, 2012 per the Kentucky Public Service Commission's notification on July 30, 2012. This increase is adopted in order for the WRWA to recover the actual cost of water purchased from City of Mt. Vernon.

Given under my hand this the 14th day of August, 2012.

Wary Whather President
