RE: Formal Application for a Purchased Water Adjustment

Dear Mr. Derouen:

Enclosed is an original and 10 copies of an application for a purchased water rate adjustment for North Mercer Water District. The adjustment is necessary to recover an increase in the cost of water attributable to our supplier's new wholesale rates. A copy of the supplier's notice of the changed rate showing the effective date of the increase is attached.

The district has published the enclosed public notice of this requested revision in the local newspaper. In accordance with PSC rules and regulations, the notice was published before the new bills were issued one time. A copy of the newspaper notice and an affidavit verifying publication is enclosed.

The district previously filed income statements and balance sheets with the Public Service Commission. These income statements and balance sheets are currently on file with the commission.

Sincerely,

Mischell Lee
