Re: *In the Matter of: The Application of
Big Rivers Electric Corporation for a General
Adjustment in Rates, PSC Case No. 2012-00535*

Dear Mr. Derouen:

A telephonic informal conference was conducted in this case on April 18, 2013. A Staff memorandum summarizing the discussions on that call was issued April 19, 2013, and received by Big Rivers today. This letter contains the comments of Big Rivers Electric Corporation ("Big Rivers") on the Staff memorandum.

The second-to-last sentence in the memorandum states:

The parties also agreed to facilitate the shortened turnaround time in the revised procedural dates by sending, by electronic mail, courtesy copies of any documents filed in accordance with the revised dates.

Our recollection of the discussion was that Mr. Fisk asked that Big Rivers serve its responses to the Sierra Club data requests by e-mail, or at least overnight courier service. Big Rivers agreed with that request, and pointed out the practical limitations on transmittal of large documents by e-mail. There was discussion on that subject as well as electronic alternatives to e-mail. But the agreement of Big Rivers was to serve the responses by e-mail, if practical, and where not practical, by overnight courier service. Our suggestion for rewording that sentence is:

The parties also agreed to facilitate the shortened turnaround time in the revised procedural dates by sending, by electronic mail, where practical, or by overnight courier service, ~~courtesy~~ copies of any documents filed in accordance with the revised dates.
