12 **MOTION FOR DEVIATION**
13

14 Pursuant to 807 KAR 5:001 Section 21, Big Rivers Electric Corporation (“Big Rivers”)
15 hereby moves the Kentucky Public Service Commission (the “Commission”), for good cause
16 shown, for deviation from the requirement in 807 KAR 5:001 Section 13 that Big Rivers file a
17 highlighted hard copy and ten redacted hard copies of material containing confidential
18 information submitted pursuant to a petition for confidential treatment.

19 Big Rivers is filing with this motion an update to its response to Item 3 of the Joint
20 Intervenors’ Supplemental Rehearing Request for Information (“JI 2-3”). Big Rivers has
21 produced the attachments to its response to JI 2-3 electronically because if printed, the
22 documents would be over one hundred (100) pages and would overburden the paper record in
23 this matter. These attachments are being filed under a petition for confidential treatment and are
24 produced electronically on the CONFIDENTIAL electronic media filed with this motion. These
25 CONFIDENTIAL electronic files have been served on all parties that have signed a
26 confidentiality agreement. The pervasive nature of the confidential information makes the
27 production of ten redacted, public versions of these documents ineffectual and unhelpful to the
28 Commission, the parties, and the public. Big Rivers has not produced a redacted, public version
29 of these documents that have been produced confidentially in electronic format.

Certificate of Service

I certify that a true and accurate copy of the foregoing was or will be served by Federal Express or by first class mail upon the persons listed on the accompanying service list, on or before the date this motion is filed with the Kentucky Public Service Commission.

On this the 22nd day of April, 2014,

Counsel for Big Rivers Electric Corporation
