Re: Case No. 2013-00149
Sandy Hook Water District

Dear Mr. Fannin:

This letter confirms the occurrence of your telephone call on August 19, 2013 to my office in which you made several allegations to my assistant regarding Mr. Joe Montgomery's fitness to serve as a member of Sandy Hook Water District's Board of Commissioners and his prior service as a member of that board and as a member of the Elliott County Ambulance Service District's Board of Directors.

For the Commission to review and consider any allegations, the allegations must be in writing in the record of the case and, to the extent possible, supported with all pertinent documents. If you wish the Commission to consider the allegations that you made in the telephone conversation of August 19, 2013, you should submit them in writing to the Commission **no later than August 28, 2013** and include with your written allegations any supporting documentary evidence. In lieu of mailing your submission to the Commission, you may submit your documents by facsimile (502-564-3460) or by electronic mail (psc.filings@ky.gov).

Please direct any questions regarding this letter to Gerald Wuetcher, Executive Advisor/Attorney, at (502) 782-2590.

Sincerely,

Jeff Derouen
Executive Director
