

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

TARIFF FILING OF KENERGY CORP. TO	)	CASE NO.
REVISE AND IMPLEMENT DEMAND-SIDE	)	2013-00107
MANAGEMENT PROGRAMS	)	

COMMISSION STAFF'S FIRST REQUEST FOR INFORMATION  
TO KENERGY CORP.

Kenergy Corp. ("Kenergy"), pursuant to 807 KAR 5:001, is to file with the Commission the original and 10 copies of the following information, with a copy to all parties of record. The information requested herein is due no later than April 25, 2013. Responses to requests for information shall be appropriately bound, tabbed and indexed. Each response shall include the name of the witness responsible for responding to the questions related to the information provided.

Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Kenergy shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to which

Kenergy fails or refuses to furnish all or part of the requested information, Kenergy shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention should be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request

1. Refer to Kenergy's proposed Residential Weatherization Program – Primary Heating Source Non-Electric and Electric-Sourced Air Conditioning, PSC No. 2, First Revised Sheet No. 55. Explain whether the cost of an initial site visit and the portion of the cost of a diagnostic audit is part of this program and, if so, state whether that language should be included in "Member Incentives."

2. Refer to Kenergy's proposed Residential Weatherization Program – Primary Heating Source Electric and Electric-Sourced Air Conditioning, PSC No. 2, First Revised Sheet No. 56. Explain whether the cost of an initial site visit and the portion of the cost of a diagnostic audit is part of this program and, if so, state whether that language should be included in "Member Incentives."

3. Refer to Kenergy's proposed Residential Weatherization Program – Primary Heating Source Electric and Electric-Sourced Air Conditioning, PSC No. 2, First Revised Sheet Nos. 56 & 56A. Under "Terms & Conditions," paragraph 6, it states:

The Contractor will collect \$100 from the residential customer for the diagnostic audit, which will be reimbursed when the project is complete. If the residential customer does not follow-through with the weatherization process, the

\$100 will be forfeited and Big Rivers will pay \$350 to the contractor. Big Rivers will pay the Contractor \$450 for the diagnostic audit upon completion of the weatherization process.

Explain why paragraph 6 in “Terms & Conditions” in this proposed program is different from paragraph 6 in the “Terms & Conditioners” for Kenergy’s proposed Residential Weatherization Program – Primary Heating Source Non-Electric and Electric-Sourced Air Conditioning, PSC No. 2, First Revised Sheet No. 55A, which states:

Big Rivers Electric Corporation, on behalf of Kenergy Corp., will also pay the contractor \$225 upon completion of the diagnostic audit. The residential customer will pay \$225 to the contractor for the diagnostic audit.

However, this statement is consistent with paragraph 6 of Big Rivers’ proposed Standard Rate – RDS – Rural Delivery Service – DSM-10 Residential Weatherization Program – Primary Heating Source Non-Electric, PSC No. 24, First Revised Sheet Nos. 2.16 and 2.17.<sup>1</sup>

4. Refer to Kenergy’s proposed Residential Weatherization Program – Primary Heating Source Electric and Electric-Sourced Air Conditioning, PSC No. 2, First Revised Sheet Nos. 56 and 56A. Under “Terms & Conditions,” paragraph 7, which states, “Big Rivers will also pay the contractor up to \$2,500 for implemented residential weatherization measures including project management.” Explain why Kenergy proposes that the contractor be paid up to \$2,500, not up to \$1,000.

---
