

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

TARIFF FILING OF RIVER ROAD)
DISPOSAL SYSTEMS TO REVISE ITS) CASE NO. 2013-00012
DISCONNECT POLICY)

ORDER

On October 31, 2012, River Road Disposal Systems ("River Road") filed tariff revisions seeking authority to revise language in its disconnect policy. However, the initial filing was deemed deficient due to the tariff pages' lack of a signature and effective date. On December 14, 2012, after notification of the deficiency, River Road submitted revised tariff pages that met the minimum filing requirements. River Road proposed to implement the revised policy on January 13, 2013.

Based upon our review of River Road's submission, the Commission finds that:

1. Pursuant to KRS 278.190, further proceedings are necessary to determine the reasonableness of the proposed revision to River Road's tariff.
2. The operation of the proposed revision should be suspended from January 13, 2013 up to and including June 12, 2013.

IT IS THEREFORE ORDERED that:

1. This proceeding is hereby established to determine the reasonableness of River Road's proposed tariff revision.
2. Operation of River Road's proposed tariff is suspended from January 13, 2013 up to and including June 12, 2013.
