RE: Telephone Conference of November 26, 2013

A conference call was conducted in this matter on November 26, 2013. Participating in the call were:

Mark Frost	-	Commission Staff
Ann Ramser	-	Commission Staff
Gerald Wuetcher	-	Commission Staff
Gregory Dutton	-	Office of Attorney General
Jennifer B. Hans	-	Office of Attorney General
Sue Ellen Morris	-	Hickman County Attorney
Leanna Wilkerson	-	Clinton City Attorney
Todd Osterloh	-	Water Service Corporation of Kentucky

Water Service Corporation of Kentucky ("WSKY") requested the conference as part of its motion to amend the procedural schedule and for additional time to respond to requests for information from Commission Staff and the Attorney General ("AG").

Beginning the conference call, Mr. Osterloh briefly reviewed his motion and the reasons for it. Mr. Dutton stated that the intervening parties were in agreement that WSKY should withdraw its application to adjust rates because WSKY was not adequately prepared to timely respond to requests for information. Mr. Dutton further indicated the intervening parties were prepared to file a joint motion to dismiss WSKY's application with prejudice. If the case is not dismissed, Mr. Dutton stated, the Office of the Attorney General intends to file testimony.

Mr. Osterloh replied that adequate time remained for the Commission to render a decision on the proposed rates and that WSKY would provide all requested information. He further indicated that withdrawal and resubmission of the application would increase rate case expense.

After further discussion, the parties agreed that WSKY should file with the Commission no later than Wednesday, November 27, 2013, any supplement to its Motion to Amend. Commission Staff suggested that such supplement include WSKY's

proposed amended procedural schedule and state WSKY's intentions regarding implementation of the proposed rates at the end of the suspension period. The parties further agreed that the intervening parties may file their response to WSKY's motion no later than Tuesday, December 2, 2013, and that such response should include any motion related to WSKY's failure to comply with the existing procedural schedule. Finally, the parties agreed that, should the intervening parties file any motion related to WSKY's failure to comply with the existing procedural schedule, WSKY should file a response to such motion no later than Thursday, December 4, 2013.

The telephone conference then adjourned.
