ORDER

On February 20, 2015, the Kentucky State Board on Electric Generation and Transmission Siting ("Siting Board") issued an Order in the instant matter granting SunCoke Energy South Shore, LLC's ("SunCoke") application for a certificate to construct a merchant electric generating facility and a 138-kilovolt nonregulated transmission line in Greenup County, Kentucky. More than 30 days have passed since the Final Order was served on SunCoke, and no action has been filed in Greenup Circuit Court to vacate or set aside the February 20, 2015 Order. Therefore, the February 20, 2015 Order is final and not subject to any appeal.

Pursuant to 807 KAR 5:100, Section 6, the Siting Board must refund to SunCoke any amount of SunCoke's filing fee which exceeds the amount expended by the Siting Board in its review of SunCoke's application. Therefore, the Siting Board directs Staff to prepare an itemized list of expenses charged to the Siting Board Fund during its review of the SunCoke application and to request the Kentucky State Treasury to issue a check to SunCoke in the amount of any remaining filing fee that exceeds the amount expended by the Siting Board during its review.

IT IS THEREFORE ORDERED that:

1. Siting Board Staff shall prepare an itemized list of expenses charged to the Siting Board Fund during its review of the SunCoke application.
2. Siting Board Staff shall request the Kentucky State Treasury to issue a refund check to SunCoke in the amount of any remaining filing fee that exceeds the amount expended by the Siting Board during its review of its application in this matter.
3. Siting Board Staff shall transfer the check issued by the Kentucky State Treasury to SunCoke's counsel of record, along with a true copy of the itemized expense list prepared by Siting Board Staff, pursuant to ordering paragraph 1 above.
