NECESSITY AND SURCHARGE FOR SAME )

ORDER

On January 9, 2015, Bullitt Utilities, Inc. ("Bullitt Utilities") filed a motion for an extension of time to cure the deficiencies in its amended application for a surcharge. In the Commission's Order issued December 23, 2014, Bullitt Utilities was given ten days to cure the deficiencies in its amended application.

In support of its motion for an extension of time to cure the deficiencies, Bullitt Utilities indicates that it has not previously filed for a surcharge and is now gathering the required additional information.

The Commission, having considered Bullitt Utilities' motion, finds that the motion for an extension of time should be granted.

IT IS THEREFORE ORDERED that:

1. Bullitt Utilities' motion for an extension of time to cure the filing deficiencies is granted.
2. No later than February 15, 2015, Bullitt Utilities shall cure all filing deficiencies for its request for a surcharge.
